PETITION TO CORRECT ENTITY SIZE UNDER 37 C.F.R. § 1.28(c)

Sir:

Patentee is requesting a Petition to Correct Entity Size under 37 C.F.R. § 1.28(c). The prior assertion of small entity status under 37 C.F.R. § 1.27(c)(1) submitted on March 1, 2011 was made in good faith error, without deceptive intent, erroneously asserting small entity status under 37 C.F.R. § 1.27(c)(1). It has been discovered that this assertion of small entity status is in error. Because no fees have been made under small entity status, a separate submission and itemization requirements of 37 C.F.R. §§ 1.28(c)(1) and (c)(2) are not required. However, the Office is authorized to charge the undersigned's Deposit Account No. 50-0206 in the event any fees are due. The Office is also authorized to charge any petition fees required with the filing of this paper to the same deposit account.

Respectfully submitted,

HUNTON & WILLIAMS LLP
